

Competition Information

Images entered must be entirely the work of the Photographer and must have been taken within two years of the competition date. In the case of the Print and Digital Image of the Year the time limit is one year.

Detailed information on the requirements for externally judged competitions is listed on the club website. This is subject to change from time to time and it is the responsibility of the member to check the current entry conditions are met.

Digital image files should be sized to no greater than 1600 pixels horizontally and 1200 pixels vertically. They should be submitted by email as jpeg attachments, together with the member's name, image titles and division number, to the competition secretary. All emails will be acknowledged.
